In the Matter of:

PARENT ON BEHALF OF STUDENT,

v.

CHINO VALLEY UNIFIED SCHOOL  
DISTRICT.

OAH CASE NO. 2014010791

ORDER OF DETERMINATION OF  
SUFFICIENCY OF DUE PROCESS  
COMPLAINT

On January 22, 2014 Student filed a Due Process Hearing Request<sup>1</sup> (complaint) naming Chino Valley Unified School District (District) as the respondent.

On February 3, 2014, District filed a Notice of Insufficiency (NOI) as to the complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint.<sup>2</sup> The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of Title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education (FAPE) to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time.<sup>3</sup> These requirements prevent vague and confusing complaints, and promote fairness by providing the

named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation.<sup>4</sup>

The complaint provides enough information when it provides “an awareness and understanding of the issues forming the basis of the complaint.”<sup>5</sup> The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings it authorizes.<sup>6</sup> Whether the complaint is sufficient is a matter within the sound discretion of the Administrative Law Judge.<sup>7</sup>

## DISCUSSION

The facts alleged in Student’s complaint are sufficient to put the District on notice of the issues forming the basis of the complaint. Student’s complaint identifies the issues and adequate related facts about the problem to permit District to respond to the complaint and participate in a resolution session and mediation. Student alleges she is an 18-year-old holder of her own educational rights, who has not yet graduated from high school. She further alleges that she suffers from extreme behaviors and emotional concerns that were not adequately addressed by District. District’s NOI contends that the time frame of the alleged denials of FAPE are not specified; that Student does not delineate which of her allegations are procedural and which are substantive; and District also disputes the facts as alleged. All District’s contentions may be addressed at hearing, but do not render the complaint insufficient, as stated. Therefore, Student’s statement of the claims is sufficient.

District further contends that Student’s proposed resolution is not specified, however the complaint requests placement in a residential treatment center (RTC). A complaint is required to include proposed resolutions to the problem, to the extent known and available to
